

#STEAM THE STREETS

School Assemblies

Our school assemblies engage students in career awareness in a unique way. We connect careers to students' interests and instill a vision that they **CAN** be part of the growing **S.T.E.A.M.** economy.

Great for career day kickoffs, STEM weeks, summits, conferences and more.

ASSEMBLIES INCLUDE:

- An **hour-long** multimedia show.
- **Interactive** education about STEAM career paths
- **Profile Videos** of People of Color in Tech. (from Pandora, Adobe, Pixar & more)
- **Live** Performance
- **Motivational speaking**
- **Music videos** about Black and LatinX Inventors

Led by passionate educator and DJ, Angel Diaz / Directed by Ben Gilbarg.

WITH OUR TEAM YOU GET:

- **20 + years experience** in youth outreach, education, and the arts.
- **Professionalism** and self-sufficient setup.
- **Ability to tailor** the show to your school's educational offerings.

COST

Affordable rates compared to other national speakers

**contact us for an assembly that fits your school's needs*
